**Children's Miracle Network Teams Up with Greetings & Giving  
to Create New E-Card Site to Raise Funds for Children's Hospitals**

**SALT LAKE CITY**—May 17, 2010—Greetings & Giving has introduced a new e-card site to raise funds for Children's Miracle Network, a children's charity that raises funds for more than 170 pediatric hospitals.

The site ([www.cmnecards.com](http://www.cmnecards.com)) features a variety of Children's Miracle Network themed greeting cards. Subscribers can send an unlimited amount of e-cards for a \$10 annual subscription; \$8 of that fee will benefit the Children's Miracle Network hospital in their community. Children who have been treated at Children's Miracle Network hospitals created many of the e-cards; seasonal cards will be added throughout the year.

“Not only will subscribers be sending e-cards for any occasion, they will be supporting the Children's Miracle Network hospital in their community and spreading the important work of children's hospitals with each card that is sent, “said Rod Hamson, Vice President, Children's Miracle Network.

Howard Gerson, President of Kansas City - based Greetings & Giving said, “We are honored to partner with the Children's Miracle Network. We are excited that this custom developed e-card website which includes hand drawn cards by the children will inspire people to help as well as share happiness and smiles”.

Like all Children's Miracle Network fundraisers, the funds raised from Children's Miracle Network Greetings & Giving e-cards will help create miracles by funding medical care, research and education that saves and improves the lives of 17 million children treated at Children's Miracle Network hospitals each year.
